EVENT PRODUCTION

In The Event specializes in event production for both large and intimate events. With 15 years of experience, we can guarantee a seamless event production process leaving you stress-free to enjoy your event! From planning to execution, our team will take care of every detail to ensure your event is a success.

EVENT FURNITURE RENTALS

Furniture plays a crucial role in completing the look and feel of any event. We provide a wide range of furniture rentals, from classic sofas and bars to custom-made modular LED furniture. No matter the theme or size of your affair, we have the perfect furniture rental options to elevate the ambiance of your event.

AUDIO / VIDEO RENTALS

We offer AV rentals and have a team of experienced AV technicians who are experts in operating our equipment. You can rent individual AV components or our kits that are easy to use and simplify the planning process. You can pick-up the equipment yourself or our team can take care of delivery, setup, and stay on-site to execute a smooth and flawless production.

PLANNING YOUR EVENT

Our event planning expertise is unmatched and we are committed to delivering amazing events. We work closely with you to understand your unique vision and bring it to life, paying attention to every detail to ensure the event is exactly how you want it. By following our process below, we will help you create an unforgettable event!

VISION

Conceptualizing the overall look, feel, and purpose of your event. This includes the theme, color scheme, atmosphere, and other elements that define your event.

PLAN

Coordinating all the details and taking the stress off of your plate. This is the roadmap that guides your event from start to finish. From vendors and venues to curating rentals from our extensive inventory. We'll take it from here!

EXECUTE

Putting all the pieces together to bring your event to life! From the detailed prep work to a seamless setup on the day of your event. Every detail counts, and is taken care of to make sure it all runs smoothly.

MANAGE

Once your guests arrive, the last thing you need is the stress of handling the behind-the-scenes details. Our team is there from start to finish so you can focus on being at the event!
